Re: *City of New York v. EnviroMD Group LLC et al*, 1:24-cv-05161-GHW-JW

Dear Judge Woods:

We represent Defendants Vape More Inc. and Vape Plus Distribution Corp. (“Defendants”) in the above-captioned matter. We write to request a 5-page extension of the 10-page limit for Defendants’ joint reply to Plaintiff City of New York’s Opposition to Defendants’ Motion to Dismiss the Second Amended Complaint. Defendants note that, though the City of New York requested additional pages to respond to three separate motions to dismiss, references to Defendants appear throughout the 52-page brief and are not separated out by section. This minor extension of the page limit will allow Defendants to fully respond to Plaintiff’s arguments in opposition to their motion to dismiss. Defendants’ reply is due Friday, November 1, 2024. The City’s counsel have advised that the City consents to the relief requested herein.

We appreciate your consideration of this request.

Respectfully submitted,

/s/ Eric N. Heyer
